Kapitalbeteiligungsgesellschaften

BVK Services

Tasks and Objectives

The Bundesverband Deutscher Kapitalbeteiligungsgesellschaften - German Private Equity and Venture Capital Association e.V. (BVK) represents the interests of the German private equity industry towards political decision-makers, the media, market partners and the public. The Association offers its members the use of and participation in the most comprehensive and most influential network of private equity firms including all relevant stakeholders in Germany. A large variety of services is available to the members.

The goal of BVK's activities is the creation of stable and reliable environmental conditions for the private equity industry in Germany, the generation of a deal flow for private equity and access to long-term capital sources.

BVK's mission and services include: **Political communication/Lobbying**

- currently: Corporate tax reform, Private Equity Law
- newsletter for political decision-makers on current movements in the private equity industry

Media and PR work

- press conferences, press releases, and background discussions on current fiscal and industrial movements, presentation of quarterly statistics, journalist workshops on special subjects (e.g. LBO, CVC, etc.)
- events on the subject of private equity organised for members, political and economic decision-makers, and the interested public
- support of members in their media and public relations work

Information

- timely provision of relevant information on the BVK Member website (BVK Newsletter)
- reporting on current legislation and regulation projects
- provision of information according to the request of members

Surveying and publication of industry statistics Professional in-house exchange

- regular meetings of divisions and work groups
- workshops and conferences on all private equity relevant subjects

Training

Publications

- BVK website

Membership benefits

- membership with BVK as a quality seal
- publication of the member's profile in the internet membership list and in the Directory / CD-ROM
- access to events and meetings of the association (specialist and work groups) and training seminars
- networking in the context of BVK events with leading industry players
- access to the BVK member website with internal sector information and BVK Newsletter
- inclusion in lobbying activities and consulting/support relating to PR of member companies
- participation in all BVK events free of charge or at reduced cost

Features of associate members of the BVK e.V.

- Associated members are invited to all events of the association even if their rights are statutorily limited (e.g. no voting right for the board).
- In the context of the work group on law and taxes, selected associate members consult the association on legal and tax issues and on lobbying.
- The majority of specialized lectures in division meetings are held by representatives of associate members. In addition, the association publishes relevant articles on its member website.
