Entrepreneurs meet investors ...

... is the motto of Europe's largest and most important capital market event for corporate financing via the equity markets. Actually an understatement, as this platform for information and networking acts as a meeting point for the entire financial community – comprising entrepreneurs, investors and analysts as well as the financial services sector.

This year's conference takes place at the perfectly located Sheraton Frankfurt Airport Hotel & Conference Center for the first time.

Our highlights for investors in 2015:

- Attend the analysts' conferences of share and bond issuers
- Meet important decision makers of the presenting companies in 1-on-1 meetings in a cost-effective and time-efficient way in first-class equipped rooms.
- Visit the 15-minute company presentations of non-listed companies
- Participate in the Elevator Pitch as a venture capital/private-equity investor and present your investment criteria in three minutes
